

Shall the Town of Dunbarton Adopt a “Workforce Housing Ordinance” under the authority of RSA 674:21, and is intended as an “Inclusionary Zoning” provision as defined in RSA 674:21(I)(k) and 674:21(IV)(a), as well as RSA 672:1, III-e?

The Ordinance defines the boundaries of a Workforce Housing Overlay District as town-wide overlay and provides density bonuses and permits uses consistent with the encouragement of the development of workforce housing as stipulated in the aforementioned RSAs but within the guidelines of the Town’s Zoning Ordinance as amended.

The intent of this article is to comply with RSA 674:58, as amended, which requires that New Hampshire communities provide a “reasonable and realistic” opportunity for workforce housing.
