

Dunbarton Cemetery Trustees
Meeting Minutes
1011 School Street - Dunbarton, NH 03046
April 2, 2024

Present: Trustees: Justin Nault, Judy Keefe, Mike Lessard. Alternate: Bruce LeDuc

Opened Meeting: 7:04 pm J. Nault called to order.

Old Business:

Review and accept minutes from March 5, 2024. J. Nault moved to approve minutes as amended. M. Lessard seconded, all approved.

Public Comment:

2 Lots were sold in Page's Cemetery, Mills section, prior to meeting.

Does it need to be in here at all

New Business

Budget remains as is.

The trustees are looking into assessing the damage in the cemeteries from the previous storm. Center Cemetery has 2 large limbs down. One large limb has already been cleaned up, and the other one will be removed soon. Volunteers have done that. One of the stones in Center was loosened by a branch. It will need to be repaired. Many trees are down in East Cemetery. We will need to get a quote to clean that up.

J. Nault made a motion to pay the NHCA dues, M. Lessard seconded the motion.

Information for John Lord, NHOGA stone repair workshop, scheduled for June 15, 10:00AM at Center Cemetery is on our web page.

Mike would like to bring pamphlets that he has made of the John Lord Workshop to the Spring NHCA meeting, inviting people to attend. All agreed.

Gustave Gruhns cremains will be spread in Page's Cemetery in the Spring/Summer. Time and date will be set up soon.

A headstone in Center Cemetery was installed in the wrong place. We have contacted Perry Monument to move the stone to the correct location. We have requested an invoice from Perry Monument.

CIP - J. Nault will present our projects - erosion in East Cemetery 2027-28
Complete Pages Cremains walkways 2025-26.

Cemeteries will be open when we feel the ground is ready. Right now, we are looking at the forecasted storm, and will assess the cemeteries after the storm.

M. Lessard has put together a layout of the Mill's section of Page's Cemetery that shows lots sold, available and restricted. This will be uploaded to our website and will be helpful for people to view, beginning the process of purchasing lots. This section of Page's has the most lots available in town. Also M. Lessard is looking to add the back section of Page's to show the lots that

are available there. For any questions and/or to purchase a lot or lots, do not hesitate to contact the cemetery trustees.

Center Cemetery has limited lot(s) availibilty. Contact the cemetery trustees with any questions. There are no lots available for purchase in East Cemetery.

Next meeting: Tuesday, May 7, 2024 7:00 PM

Adjourned: J. Nault moved to adjourn at 8:00 M. Lessard seconded. All approved.

Respectfully Submitted, Judy Keefe
