

Dunbarton "Cop Card" Contest Wraps Up

Sisters Emily and Hannah Forest and Troy Wooten were the first youngsters to collect all 17 Dunbarton Police "Cop Cards". They join Officer Jacqueline Pelletier for a photo with their prizes. Each of the kids received an IPOD Shuffle and a full cop card collectors sheet as prizes for their hard work in collecting all of the cards. Although the contest is over officers are still anxious to meet children in the community and distribute their cards while they are on duty. So if you see an officer working and it is safe to do so please introduce yourself and ask for a card. Please do not approach officers while they are engaged in motor vehicle stops or other types of calls.
