Affidavit on reverse side of application to be reviewed and signed by owner or authorized agent.

- ❖ The applicant hereby certifies that to the best of their knowledge this proposal will comply with all applicable local, state and federal regulations and understands that non-compliance with any applicable regulation may result in the revocation of a permit.
- ❖ Encroachments on public property, not specifically permitted under the Building Code, must be approved by the Town.
- ❖ The issuance of this permit does not release the applicant from conditions of any applicable Subdivision, Site Plan, and/or Zoning Ordinance regulating the construction, use and placement of structures.
- ❖ Approved plans must be retained on the job and building permit kept posted until final inspections have been made. Any deviation from the approved plans must be authorized by the approval of revised plans.
- ❖ Where applicable, separate permits are required for electrical, plumbing, mechanical or other installations.
- ❖ Where a certificate of occupancy is required, such building shall not be occupied until final inspection has been made.
- ❖ Inspections can be arranged by telephone or e-mail. A 72-hour notice is preferred. Work shall not proceed until the Building Inspector has approved the various stages of construction.

Permit will become null and void if construction work has not started within (6) six months of the date the permit was issued.
